Title of Article: Strategies for Handling Moral Behaviour Problems of Adolescents and youths.

Authors: Alao, A.A.

Date of Publication: 1990

Abstract:

The paper examined the concept of morality and the theories of moral development. It discussed the obstacles that adolescents sometimes encounter in making transition to mature moral status. The role of discipline and disciplinary methods in moral development was explored and other factors affecting moral behavior were examined and methods in handling moral behavior problems were discussed in some case studies.
