Title of Article: The Role of the Elementary School Counsellors in The Nigerian 6-3-3-4 System of Education.

Authors: Alao, A.A.

Date of Publication: 1985

Abstract:

The paper discussed the significance of counselling in the elementary school and the functions of the elementary school counsellor in the 6-3-3-4 system. The functions of the elementary school counsellor such as counselling, collaboration, or consultation, co-ordination, communication, curriculum, fostering child growth and development and teaching coping behavior in relation to the 6-3-3-4 system were discussed.
