Title of Article: The Effect of Entrepreneurship Education on Students’ Entrepreneurial Intentions

Author(s): Izedonmi Famous and Chinonye Okafor

Outlet: Global Journal of Management and Business Research, USA  Vol.: 10, Issue 6 Date of Publication: 2010

Abstract: The paper examined the effect of entrepreneurship education on students’ entrepreneurial intentions. The result revealed that students’ exposure to entrepreneurship education has a positive influence on their entrepreneurial intention and this tends to raise and provide some useful insights into some theoretical issues. It was suggested that the government and university authorities should make entrepreneurship education a compulsory course in Nigeria school.
