Title of Article: Entrepreneurship Education: A Panacea for Poverty Reduction Among the Youth of the Niger-Delta

Author(s): Chinonye Okafor

Outlet: Nigerian Sociological Society (NSS) Vol.: 3, No. 1 Date of Publication: 2007

Abstract: The paper examined entrepreneurship education as a panacea for poverty reduction among the youth of the Niger-Delta. The paper revealed that youth who are usually used as agents of social vices thereby increasing the poverty level among the populace of the Niger Delta can be controlled via entrepreneurship education. The recommended that entrepreneurship education should be introduced to the youths in the Niger Delta early in their primary, secondary and tertiary schools so as to catch them young before they are being exposed to bad attitude and behavior.
