**Title of Article:** A Handbook on Industrial Relations and Human Resource Management: For Tertiary Students, Academics and Industry.

**Author(s):** Lagos: Town and Gown Foundation.

**Outlet:** Institute of Communication and Entrepreneurship Development

**Date:** 2013

**Abstract:** This Handbook on Industrial Relations and Human Resource Management was written to exhaustively address important topics in Industrial Relations and Human Resource Management. This is the first time a Nigerian text will combine topics in HRM and Industrial Relations in one book. The goal is to raise more informed professionals in the field, expand existing knowledge frontiers and provide students with a worthy material that can be useful for personal study, exams and career building.
