

Walking in God's Plan

A Chapel Service Message by Pastor Promise Omidiora on September 11, 2013

Each time you step out of tune with God, you are vulnerable to the devil. If the battle is from within, the warfare should also be from within.

It takes purity of heart to have a relationship with God and until the inner man is clean, your destiny is at stake.

Until the evil man is cast out, the destiny is at stake and your desires are suspended.

You can conquer unclean spirit by the power of the Holy Ghost and by the spirit of Holiness.

When you yield to the call of God, you are entitled to the benefits of godliness such as divine favour and eternity, among others. For God to use you, he has to be at work in you.

When you love God, He will engrace you. Any man God calls, he purges and prepares for his work

No one can serve God independent of God and for God to use a man he has to be at work in him.

The access to enjoy grace is service. This includes love for God and revelation of His love for you.

Faith is one of the accesses to enjoy grace in service. God engraces you when you believe.
