Topic: Enforcing the Delivery of Your Total Health in Christ.

Introduction

Enforcing the delivery of your total health in Christ needs you to activate buttons that bring about sound health.

All oppression that man suffers is from the Devil, looking for whom to devour.

Nothing negative comes from God to his children because He is a Father to us and His thoughts are of good and not of evil to give us an expected end.

Why is Health so Important

- We need health to pursue tasks effectively (Daniel 11:32). It takes strength to do exploit.
- It is one of the benefits of redemption: Christ has already paid for our full redemption on the cross (1Peter 2:24). When man was created, sickness was out-of-bound, but after the fall of man, sickness began to afflict man. However, Jesus Christ came to pay the price for the afflictions in every individual's life and to set us free. Hence, perfect health became our right.
- Every accomplishment in any field of endeavor requires a healthy body. Christ is God's plan to restore health to his beloved. Health is Wealth

Causes of Sickness

- **SIN:** This is the primary cause of sickness that came after the fall of man, which still lingers till date, affecting the lives of so many. Until a man is free from sin, his body is open to sickness. John 5: 5-9
- **Curse of the Law:** Deut 28 vs 59, Col 2: 13, Gal 3 vs 13.
- **Satan:** After he was cast out of the Kingdom of God, he began to roam about, looking for whom to devour. Job 2:7, Luke 13:11

Conclusion

The only way out to enforcing health is to embrace redemption, which is what our Lord Jesus Christ represents, who came to die and take all afflictions to set us free (Matt 1 vs 21)
