Series: Enforcing the Delivery of your Total Health in Christ

Topic: Healing by Faith

Text: Acts 14:8-10; Galatians 3:11

### **Introduction**

Total Health in Christ means a state of freedom from sickness and disease, a realm of living without pain and manifesting divinity on earth.

Total Health is our heritage in God's Kingdom, because Jesus Christ died on the cross of Calvary, to take away all our infirmities, Isaiah 53:4-5. To take charge of Total Health in Christ Jesus is not to wish, but to have a full understanding that total health is real and attainable.

1. It is the will of God for everyone to live in total health (3John 2). In spite of life's circumstances, it is the will of God that we live in total health and vitality. It takes a sick man to appreciate health.
2. We are created in the image of God (Genesis 1:27). God has created everyone in His image. No sickness, affliction or ailment can be traced to God.
3. Total health is real. It is achievable, attainable and possible.

### **Attaining Total Health requires the following Understanding:**

- **Your Total Health Package has been paid for (I Pet 2:24; I Corinthians 6:20).** Our total health in Christ Jesus has been fully paid for, thus making it our inheritance.
- **There is a war over your health (John 19:30).** There is need to understand the warfare dimension of your health. However, the warfare is already accomplished (Isaiah 40:1-2). In Christ, we have already won the battle.
- **Violent Faith is the key to taking delivery of total health.** Violent faith is the 'Never Give up' faith. It judges God faithful notwithstanding the circumstances of life. Violent Faith is Potent. It is a forceful faith. It knows no fear. Through the force of Faith, you can move from sickness to health. "Faith is the Master Key to a world of Total Health".
- **You do not wait for healing miracle, you work out your own salvation (Philippians 2:12).**

- **It is when you arise and take hold of the shield of faith that you can quench the dart of sickness.** “What you don’t want, you don’t watch”. You do not watch sickness destroy your life.

### **Conclusion**

It takes Praise to boost faith (Luke 17:11-19).
