**Series: Understanding the Secrets of Success**

**Topic: Secret of Wisdom**

**Text: Ecclesiastes 10:15**

### **Introduction**

Wisdom is knowing the right thing to do and doing it. Also, it is knowing what the Word of God says about any matter of interest to us and obeying it, Matthew 7:24.

We are all ordained to work in divine wisdom, Revelation 5:17, and wisdom does not only makes us wise but it also to be alive in the Word of God, Isaiah 11:3.

The depth of a man's understanding determines the quality of his living. Because Jesus Christ understood the application of wisdom to life's situation, He was never stranded, John 6:6.

### **Kinds of Wisdom**

According to James 3:15-17, there are four major kinds of wisdom. We have:

- **Earthly Wisdom:** It is available to everyone on the face of the earth. Everyman is born with it. It is also known as the Common Sense.
- **Sensual/Intellectual Wisdom:** This kind of wisdom is gotten from academic pursuit.
- **Diabolic Wisdom:** This kind of wisdom is gotten from the devil. However, whatever the devil gives, he will take it back in hundred folds. It won't do any man any good to seek after this.
- **Divine Wisdom:** It is the wisdom from above. The kind only God can give (James 3:17).

## How to tap into Divine Wisdom

- **Through Study of God's Word and anointed materials of men of God who have proofs:** Wisdom is a direct product of studying the word of God because the more you study, the more wisdom you get, 2Timothy 2:15. The Word of God is ever revealing new thoughts. Great addicts of the Word are beneficiary of divine wisdom, Daniel 2:9.
- **Prayer:** Engaging in the altar of prayer is another way to tap into divine wisdom. It is wise to ask God for wisdom because He has given us a free flow of communication with Him to ask whatever we need, James 1:5.
- **Observation:** This is another way to tap into divine wisdom, by learning from anybody and absolutely anything, Proverbs 6:6.
- **Keep the right Company:** Relating with group of individuals that are operating in divine wisdom makes you also operate in the same realm, because he that works with the wise will be wise, Proverbs 13:20.
- **By Impartation:** Impartation from individuals operating in the realm of divine wisdom qualifies one for double portion of blessing. Just as Elisha did greater exploits than Elijah, Joshua also did more exploits than Moses, Deuteronomy 34:9.

## How does Divine Wisdom Manifest?

- Divine wisdom comes through creative exploits, signs and wonders, and miracles that are beyond the human imagination, Mark 6:2, Matthew 38:54.
- Material Abundance (Proverbs 3:17-18): Through divine wisdom, God's plan for our life in material abundance will manifest because His plans are of good and not of evil.
- Longevity (Proverbs 6:23): Through divine wisdom, an individual's operating in the realm will live long because he/she is free from any obstacles.
- Peace: A person who works in divine wisdom will have peace despite the tribulation that may come his/her way. Peace on all sides, Psalms 46:10.
- Divine solutions to solve problems, Daniel 2:19, Genesis 41:38-39.

## Conclusion

Divine wisdom is what puts you in charge. Walking in wisdom gives you solution to all situations of life.
