

## **Godliness: Covenant Gateway To All-Round Breakthroughs - Part 2**

### **A Message Delivered by Pastor Humphrey Adebayo At Thursday Chapel Service, September 7, 2017**

There is all-round rewards when you live a godly life, academically, financially, spiritually, mentally and emotionally, (1 Timothy 4:8).

Godliness engenders greatness, (Daniel 1:17). As you maintain a godly life, God energizes your life for unusual exploits. For instance, Daniel was so godly that in Daniel 2:46, a king bowed before him.

Greatness is our heritage in redemption, (Luke 1:30-33; Genesis 12:1-3; Galatians 3:14). The fear of God is the highway to greatness, (Job 1:1-3); Job lived all his life fearing God.

A good test of how spiritual you are, is your conduct when you are out where people do not know you, (Genesis 39:9; Genesis 42:18). Many people, who call themselves Christians, behave differently when they come into a new environment where their Christian identity is unknown.

### **Forces of Ungodliness**

- The spirit of disobedience: The spirit of disobedience opens people up to be tormented and oppressed, (Ephesians 2:1-2, Ephesians 6:1).
- Lying spirit: There is a spirit called a lying spirit which wants to ensure that people are kept disconnected from God, (1 Kings 22:22).

### **How to Overcome Ungodliness**

- You must recognize that it takes the spirit of holiness to overcome the spirit of ungodliness, (Mathew 5:6). It takes character to rise and character to maintain your position, (Romans 1:4).
- Put on godly habits. You will give an account of yourself unto God, (Colossians 3:10; Romans 14:12).

- Engage the power of the blood of Jesus for your deliverance, (Zechariah 9:11). Engage the blood and be permanently free from all these vices. Live a godly life.

## **Benefits of Godliness**

- Fresh unction: godliness engenders fresh unction, (Ecclesiastes 9:8; Psalm 45:7).
- Prosperity: you live a life of prosperity when you live a godly life. There is a trans-generational wealth that comes with godliness, (Psalm 112:1-3).
