Theme: Understanding the Power of Prayer (Part 1)

Prayer gives the believer confidence and strength in the inner man, which empowers him to be willing to take on any challenge of life (James 5 vs. 13). Prayer provides answer to all things; no matter the prevailing situation, prayer will take care of it.

Prayer does not just change situation, but it ultimately changes people (Matthew 17 vs. 19 - 21; Exodus 34 vs. 29 - 31). Any mountain can be removed by the raw encounter on the prayer altar.

No one communicates with God and not be transformed in life. The altar of prayer is an amazing platform for the turn around that one so desire in life (Acts 6 vs. 4 - 7). Prayer and fasting is the platform for commanding instant turn around

WHAT HAPPENS ON THE ALTAR OF PRAYER?

1. It is the altar of empowerment (Psalm 63 vs. 1 - 3).
2. It is the altar of testimonies (Zechariah 8 vs. 20 - 23; Philippians 1 vs. 19 - 20).
3. It is the altar of the fulfilment of prophecies (1 Timothy 1 vs. 18; James 5 vs. 16).

Those who desire to see prophecies come to fruition, must be ready to go on their knees and do warfare.
