**Theme: Understanding the Wonders of Thanksgiving (Part 2)**

When we give to God what He loves, He in turn give to us what He has reserved for us (Psalm 22 vs. 3). Giving God thanks simply reminds Him of what is yet undone thereby attracting perfection: God always expects us to return in appreciation of His good deeds to us (Luke 17 vs. 12 - 19). Thanksgiving is an instrument of faith that is potent enough to command God's perfection.

When we dwell in thanksgiving as a lifestyle, we are in tune with divine direction and steps to take (John 6 vs. 5 - 13; 2 Chronicles 20 vs. 12, 22 - 23). Thanksgiving and praise is the secret of bringing God to bear on our affairs.

**WHAT MUST WE THANK GOD FOR?**

1. We must thank God for His faithfulness (Psalm 92 vs. 1 - 4).
2. We must give Him thanks for supernatural success in all of our endeavours (Psalm 30 vs. 7).
