ENG121 Basic Writing Skills (2 Units)

Department of Languages

Covenant University
1. ENG121

1.1. ENG121 Basic Writing Skills (2 Units)

The course emphasizes the techniques and principles of writing and the construction of different types of sentences in prose. The focus is on correct use of tenses, agreement between subject and verb, particularly in the context of compound and complex sentences. Beyond the sentence level, the organization and development of types of paragraphs and essays will be examined. Basic editing and proofreading skills will also be introduced.
