FRE314 Advanced French Phonetics I (3 units)

Department of Languages

Covenant University
1. FRE314
1.1. FRE314 Advanced French Phonetics I (3 units)

Emphasis will be laid, in this course, on the theory and practice of speech production, sound recognition and representation or symbolization. The intonation, accentuation, and syllabification of French will be examined and practised with particular reference to the phonetic difficulties usually experienced by the Nigerian student of French.
