FRE327 Introduction to Linguistics and Stylistics (2 units)

Department of Languages

Covenant University
1. FRE327

1.1. FRE327 Introduction to Linguistics and Stylistics (2 units)

This course will first provide a general survey of Linguistics as the science of language and of Stylistics as the science or study of style and then relate them to French, demonstrating what constitutes linguistic analysis on the one hand and stylistic analysis of French on the other. The differences and similarities between the two types of analysis will therefore be identified.
