FRE418 20th Century French Literature (2 Units)

Department of Languages

Covenant University
1. FRE418
1.1. FRE418 20th Century French Literature (2 Units)

This course explores the human condition with its despair and destruction caused by the two world wars and the various attempts to confer meaning on the absurdity of life. Novels and plays by male and female writers who contribute to answer the fundamental questions about human destiny as well as redefine the role of women in modern society will be studied.
