HMD221 Culture and Human Development II (1 Unit)

Department of Languages

Covenant University
1. HMD221
1.1. HMD221 Culture and Human Development II (1 Unit)

The course will focus on a more detailed examination of some problems in the broad area relating to culture and development. It shall examine topics like cultural awareness development, cultural identity development, culture and family dynamics, kinship and family ties, child-rearing practices, socialization and cultural-influences, cultural values, norms, beliefs and attribution patterns, indigenous cultural practices and the problem of universal culture.
