MAC124: Nigerian Legal System (2 Units)

Department of Mass Communication

Covenant University
1. MAC124
1.1. MAC124: Nigerian Legal System (2 Units)

Nigerian legal system is foundational to other law-related Mass Communication courses such as Mass Media Law, Ethics of Mass Communication etc. The course introduces the student to the Nigerian Law Environment by exploring the sources of Nigerian law and the historical development of Nigerian Law from the colonial period to date. It describes the hierarchy of courts in Nigeria as well as procedures for instituting civil and criminal cases. It also examines legal terms, terminology and concepts.
