MAC342: Webpage Designing and Publishing

Department of Mass Communication

Covenant University
1. MAC342
1.1. MAC342: Webpage Designing and Publishing

(2 Units)

This course exposes students to the process of creating and designing web pages for media and other organizations. It also teaches them the procedure for publishing newspapers, magazines, blogs, books, etc on the web. Some introductory issues of online journalism and citizen journalism will also be discussed in this course.
