MAC413: Issues in Broadcasting (2 Units)

Department of Mass Communication

Covenant University
1. MAC413
1.1. MAC413: Issues in Broadcasting (2 Units)

This course examines controversial socio-political and economic issues in Nigeria’s broadcast industry. It studies such issues as political broadcasting, screen violence, video censorship and the impact of these issues on the broadcasting industry. Review of research and case studies pertaining to such issues is also expected in the course.
