PHY 438: Field School in Geophysics  2 Units

Department of PHYSICS

Covenant University
1. PHY438
1.1. PHY 438: Field School in Geophysics  2 Units

Prerequisite: PHY 312 & PHY 336

Field practices in the following geophysical methods:

   Electrical methods  4 days × 6hrs

   Seismic methods   4 days × 6hrs

   Gravity methods   4 days × 6hrs

   Magnetic methods  4 days × 6hrs

   Electromagnetic methods  4 days × 6hrs

   Radiometric methods  2 days × 6hrs
