PAD426 Comparative Local Government (3 Units)

Department of Political Science and International Relations

Covenant University
1. PAD426
1.1. PAD426 Comparative Local Government (3 Units)

The course examines the studies of the local government systems in comparative context. The similarities and contrasts of local government administration with references to developmental democracy including the review of local government financing. Selected studies of countries such as Nigeria, France, United States and Britain will be examined. The problems of comparison of administration will also be discussed.
