1. TMC421
1.1. TMC421 Total Man Concept VIII (1 Unit)

Leadership Development (Part 2). This is a continuation of TMC411. This second part of the course on leadership development examines the biographical details and leadership traits or styles of some biblical and historical figures and identifies some specific lessons for developing leadership traits and sensitivity. Specific character studies will examine the leadership style of Jesus, Moses, Joshua, Gideon, Alexander the Great, Nelson Mandela, Nnamdi Azikwe etc.
