GEC429: Students Industrial Work Experience (SIWES) (6 Units)

Department of Petroleum Engineering

Covenant University
1. GEC429
1.1. GEC429: Students Industrial Work Experience (SIWES) (6 Units)

During the SIWES, each student will undergo a practical on the job training in engineering industry approved for its relevance to the students major for a minimum of 28 weeks starting immediately after the first semester examinations at 400 level. A programme of training will be drawn by the College and the Industry for each student, and a prescribed log book with daily recording of the student activities is to be kept by each student and appropriately signed. At the end of the programme, a written report is to be submitted to the college and each student to present a seminar on his/her industrial experience. Each student must pass a prescribed certification examination during the industrial training.
