Title of Article: Rights and Obligations In: O.Y. Oyeneye, O. O. Oyesiku, P. A. Edewor (eds.).

Author(s): P. A. Edewor

Date: 1993

Abstract: This paper explicates the concepts of rights and obligations and presents the fundamental rights as well as the responsibilities and duties of Nigerian citizens and government. It argues that the welfare of all cannot be promoted, neither can a strong, united and self-reliant nation be built if citizens and government maintain an attitude of indifference or fail to discharge their respective duties.
