

# Operating in the Supernatural

**A Chapel Service Message by Pastor Abraham John-Ozeh on April 1, 2014**

This is our month of the supernatural. The supernatural is the natural habitat of every believer. There is nothing natural about you. You are not ordinary, stop seeing yourself as if you are ordinary. There is nothing ordinary about you. Remember, as a man thinketh is his heart, so is he. If you see yourself as ordinary, you will be ordinary. But if you see yourself as extra-ordinary, you will be extra-ordinary. From today, you will take your place in the top in the name of Jesus.

All through this month, we shall be looking at **“Operating in the Supernatural”**.

From this month, you will begin to operate in the supernatural. Even this exam you are about to write, you will write in the supernatural, and it will be a walk over for you in the name of Jesus.

In Isaiah 45: 11, God is saying this month, “I am going to turn you into Commander-in-Chief.” Whatever you say “come” to will come for you and whatever you “go” to will go for you, in the name of Jesus. From today as you declare it, you will have it that way in the name of Jesus.

However, for you to walk on the supernatural, foundation is very important. There is something that is very key that will enable you to operate in the supernatural, that is, the love of God. That is the nature of God. You can not operate in the supernatural without the love of God. It is the love of God that will enable you to operate in the supernatural. Praise the Lord.

You have to understand, beloved, that it is the love of God that turns a believer to a sign and a wonder. Without the love of God, you cannot manifest as a sign and wonder. Yes, there is a prophecy that has gone ahead of you, but in order to fulfil that prophecy; you need to understand what it takes. I don't know who I'm talking to this morning; probably you are even angry with God. Yes there is something you have been expecting that is yet to come and that has made you to develop some kind of anger or bitterness against God. Now, let me ask you a

question, "If God did not help you, who else will help you"? Nobody is going to help you.

So there is the need to return to God in love and understand that you can't hold anything against God. I don't know how long you have been expecting 'that thing' to come but I can guarantee you this morning that when you walk in love, it will come your way. Praise the Lord. From today, there is a fresh baptism of love coming upon our lives in the name of Jesus. It is your level of love for God that determines what He gives to you (1Corinthians 2: 9). You need to understand this morning that you need to walk in love with the whole of your heart if you truly want to operate in the supernatural. That is why the servant of God will say, "You don't know what is spurring me to do what I am doing until you know my heart beat for God".

What is your heart beat for God? Is your heart panting after the Lord? What is your soul panting after? There is a need this morning if you truly desire that testimony to come speedily; you need to walk in the love of God. I see that grace released upon your life this morning in the name of Jesus. With the love of God at work in us, great things begin to happen on their own accord. If you truly have the love of God in your heart, you don't have to push anything, they begin to happen on their own, because there is something He has preserved for you.

You will agree with me that the people you love, you can't hide anything from them. So also our God is loving, our God is caring. He desires to give you the very best. Beloved, I don't know who I am talking to this morning, but there is the need to check your heart for God. Where is your heart? Is your heart panting after God or material things? Probably, some of us, our love is conditional. "God if you bless me, then I will serve you", no. He says serve me and I will bless you. But most of us we want Him to bless us before we serve Him. It simply means that your love is conditional and you can never walk in supernatural.

The truth is this, if you walk in the love of God, you won't need to pray the way you pray because He knows how to give His own the very best. That is why God's servant will say that because of his heart for God, he has gotten to the point where he does not need to ask for anything but suddenly he will have that thing he

wants. Beloved, there is the need to check where your heart is. Is your heart panting after God or the material things you want from Him? If He does not give you that thing and you say, "Well I am sorry I cannot serve you again", you cannot walk in the supernatural like that. There is the need for you to reposition yourself and your heart to pant after God. There is the need for you to release yourself to do what He wants to do in your life. Allow the love of God to be shed abroad in you heart, to be lavished in your heart in order to serve Him whole heartedly. Praise the Lord.

The truth is this, if you love Him whole heartedly, there is nothing He cannot give to you. It is His desire to give you every good thing you desire in life. He is not happy to see you suffer or be in want of any good thing. But He is asking you, son, daughter, love me whole heartedly. Not because of bread or butter, but love me because of whom I am. If you can do that, you will see Him giving you everything you desire. From today, you will love Him whole heartedly like never before, in the name of Jesus.

It is not based on material things, it is not because of what He wants to give to you, but you just love Him because He is God, because He has loved you without any reservation, without withholding anything from you. He gave his only begotten son to you just to prove that He loves you. Praise the Lord. From today, you will love Him whole heartedly in the name of Jesus. When one is rooted and grounded in love, he becomes the commander of the supernatural. Remember God Himself is love and when you are in love, you carry His presence. You cannot carry His presence and any door is shut against you. You cannot carry His presence and be barren. Matthew 6: 33 says, "But seek first the kingdom of God and His righteousness, and all these things shall be added to you." Whatever you are looking for, you don't need to struggle for it because you love Him. He will provide them for you cheaply. If you don't love Him, you cannot go far in life.
