Covenant University Ranks Overall Best in Nigeria and West Africa

This result is a validation of the University’s quest towards the vision 10:2022, which is to get the university listed amongst the top ten universities in the world by 2022 (Vision 1 of 10 in 10). This accomplishment is awesome and we return all the glory to God.

While celebrating the University’s accomplishment in the Webometrics Ranking at the regular Thursday Chapel Service of the University on February 12, 2015, the Chancellor, Dr. David Oyedepo, attributed the feat to divine inspiration, noting that, no human hand could have made such accomplishment come to pass within a short period of the University’s existence.

Also corroborating the Chancellor at a media chat, the Vice-Chancellor, Professor Charles Ayo, described the University’s achievement as a favour from God. The Vice-Chancellor stated that the University has pioneered the following feats:

1. The introduction of Entrepreneurial Education into the University curriculum to get our graduates adequately equipped for the world of work. This is now a National programme.
2. The abolition of the award of Covenant University Ranks Overall Best in Nigeria and West Africa.
3. The introduction of Dress Code and this is being adopted by all tertiary institutions in Nigeria.
4. Award of Certificate/Diploma in Leadership to all graduates.

It is noteworthy that the University topped the list of successful candidates in the two consecutive editions (2013/2015) of the Presidential Special Scholarship for Innovation and Development (PRESSID) for First Class Graduates of all Nigerian Universities for sponsorship to 25 top universities in the world. CU produced about 10% of all qualified candidates.

Also, CU produced 78 out of 500 ranked Scientists in Nigerian Institutions based on Google Scholar Citations.

Imbibing CU Culture of Discipline

Covenant University's management wishes to reiterate the commitment of the University to raising a new generation of leaders who will restore the dignity of the black race. In order to succeed in this regards, we need your support, our parent, especially in the area of inculcating discipline in the student. Ensure your child adheres to the rules and regulations governing students conduct in the University as detailed in the Students’ Handbook. We are committed to preserving the glorious destiny of our students as transformed Agents of Change in the society. Remember that we are in a covenant with you regarding the actualization of this end. Also, that those who fly, fly by instructions and discipline is the fundamental price for greatness (Dr. David Oyedepo). It is only obedience that will make anyone eat the good of the land. Therefore, the conduct of your child at school and outside the school should at all times reflect CU culture of discipline.
