

Understanding How to Be Led By the Spirit – Part 2

A Message Delivered By Pastor Promise Omidiora at Thursday Chapel Service, February 15, 2018

The leading of the spirit is very crucial to our journey with God, (Proverbs 14:12). Not every great destiny will be on a great light. It is not every open door that is the right door, (Proverbs 16:25). We need the leading hand of God to show us the way. The Holy Spirit is the custodian of God's plan, so we need Him to show us the way.

It is important for us to always seek the leading of the Spirit of God, (Jeremiah 1:5). There is no man that is too old or too young not to need the leading of the Spirit of God, (Joel 2:28). Without God's leading, His plans for you cannot see the light of day in your life.

There is something God has called you for and there's a place God has ordained for you. It is only God that can guide you into that place, (Acts 13:1-2).

The Holy Ghost is a speaking spirit. If you are attentive enough, you can pick His voice and that voice is the voice of guidance; that voice leads us and without that voice we cannot be made, (John 16:12-13).

The Holy Spirit is a showing spirit. He shows you in a way you will never forget, (John 16:13). God will not only tell you, the spirit of God will show you.

How Can We Be Led By the Spirit?

We can be led through the voice of the spirit, (Ezekiel 2:1). When the spirit speaks to you, He lifts you up. Please allow the one who knows you to lead you and guide you into what He has created you to become, (Jeremiah 1:4-5). We suffer devastation when we try to lead ourselves. Let your reliance be on God and God will make a good life for you, (Exodus 3:7-8).

The testimony of everyone who is led by the spirit is greatness, (Genesis 12:1-4). He leads besides the still waters. Each time you follow His leading, you arrive at what He has ordained for you. Whatever God commands, He keeps (Genesis 26:1-12). Not every open door is God's door; a lot of them are traps in disguise.

You enjoy the blessing of God when you stay in the place where He has ordained for you. There is no devil that can conquer you in the place God has ordained for you.

Destiny amounts to nothing without the leading of the Spirit of God. Your destiny cannot be identified until Jesus is in your heart.

Every bird must fly with his own wings; no bird can borrow another's wings to fly with. A personal relationship with God is the only path to God's guidance.
