**Theme: Understanding How to Be Led By the Holy Spirit (Part 4)**

If you are not led by the spirit of God, you will be misled, thereby putting destiny at risk. When you are led by God's spirit, you will be promoted in life and fulfil destiny in grand style (Proverbs 14 vs. 12).

It takes the Spirit of God to be led aright because not every open door is God ordained. It is not enough to access God's plan, but you need the spirit of God to be guided into it (Joel 2 vs. 28; Lamentation 3 vs. 37).

The Holy Spirit is a speaking Spirit and a showing Spirit (John 16 vs. 12 - 14). Following the leading of the Holy Spirit will always culminate in exploits.

### **HOW TO BE LED BY THE HOLY SPIRIT**

Through the witness of the Spirit of God to the inner man (Exodus 14 vs. 16). It takes obedience to His voice for the plans of God to find full expression in life (Jonah 1 vs. 3 - 4, 17).

Neglecting God's plans for one's life always result in a stormy environment. Any time a believer deviate from God's instructions he is simply signing up for life in bondage (Isaiah 42 vs. 17 - 19; Acts 20 vs. 22 - 23).
