## **VACANCY ADVERT FOR INTERNAL AND EXTERNAL CANDIDATES**

# **DIRECTOR, COVENANT UNIVERSITY CENTRAL INSTRUMENTATION RESEARCH FACILITY (CUCIRF)**

The Covenant University Central Instrumentation Research Facility (CUCIRF), a multidisciplinary analytical research outfit, was established with the aim of providing a central facility of the latest and advanced analytical equipment for research, accreditation, consulting and training. The facility is expected to house sophisticated analytical equipment, offering clients a wide range of analytical methods/techniques for chemical, biological, mechanical, material analyses, testing and characterization. CUCIRF will be dedicated to serving the academia, industry, governmental institutions and national/international agencies, with increased internally generated revenue (IGR) to pay operational staff, purchase equipment and keep the facility running.

### **Duties**

The Director is responsible for the day-to-day management of the facility and its staff, delivering timely, high-quality services to clients, and with quality, innovation, reliability and diligence (QuIRD) as the watchwords. He/she is accountable for planning, organizing and directing all services at CUCIRF including:

- setting up a world-class multidisciplinary facility that will serve the Covenant University community and external clientele for varied scientific analyses.
- facilitating National and International certification and accreditation of the facility.
- developing capacity in the use of the Electronic

Laboratory Information Management System.

- developing capability and training staff for preventive maintenance and repair of the high-end equipment.
- organizing short-term courses/workshops on the use and application of various equipment and analytical techniques; and
- performing other duties as may be assigned.

### **Qualifications**

Applicants for the position should have a minimum of a Master's degree in the Natural and Applied Sciences or Engineering. Possession of a PhD is an added advantage.

Also, applicants must:

- be God fearing;
- have demonstrable relevant experience in instrumentation laboratory/analyses;
- have good communication skills; and
- should not be more than 55 years of age.

### **REMUNERATION**

Very competitive and attractive

### **METHOD OF APPLICATION**

Interested candidates for the position advertised should submit their applications (.docx or .pdf) to [recruitment@covenantuniversity.edu.ng](mailto:recruitment@covenantuniversity.edu.ng); the subject line should read, "Application for the Post of Director CUCIRF". All applications must be submitted within 2 weeks of this publication.

Signed  
**Dr. Oluwasegun Omidiora**
